

# PRAYER FOR STILLNESS

Good and gracious Lord,  
amidst the ceaseless rush of days,  
the readings, the papers, the exams,  
I often feel overwhelmed.

As my life beyond this place beckons,  
I find myself realizing that I don't have all the answers.  
I don't know which road to choose,  
or where my life will go from here.

In my quest for certainty,  
I am discovering that nothing is ever truly certain,  
except you.

When all my questions find no answers,  
you are the one truth,  
the core of stillness within my soul.

When the cares of the world distract me,  
help me to find your presence within,  
the pearl of calm amid the shifting sands.

Center me once more,  
so that I may face the tempests with renewed strength,  
with a purpose and support  
that come from you alone.

In you I find not certainty,  
but understanding,  
and in that understanding,  
a perfect peace. Amen.
